Material	Rubber
Product Weight	0.6 lbs (272 g)
Payload Weight	2 grams OC
Launchable	Yes
Part No.	ALSG1010C
Warranty	5 Years

DD / STUN MUNITIONS

PRODUCT DESCRIPTION

The ALSG1010C is a rubber ball diversionary device that is designed to deliver chemical agent. Upon initiation, the fuze is ejected prior to functioning of the device. This prevents the fuze from becoming a secondary projectile. Upon function, approximately seventy .45 caliber rubber balls along with OC powder are dispersed in a 360 degree pattern.
